DEPUTIES' MEETING

Wednesday, 16 December 1953

PRESENT: Mr. Dulles, General Cabell, Messrs. Wisner, Amory, Kirkpatrick,
[redacted] Sheldon, Houston, [redacted]

Mr. Dulles:

Mr. Wisner:

a. Noted a letter from Cabot Lodge commending CIA for its support to him and his staff during the recent UN General Assembly. The Director asked [redacted] to have a copy of this letter made for his Budget File.

b. Briefly reported on his conversation with [redacted] and stated he believed this situation could be worked out to the satisfaction of all concerned. Mr. Wisner said the main problem appeared to be the settlement of [redacted] believed this could be satisfactorily concluded if approached in a "relaxed manner". The Director approved.

Mr. Amory:

a. Reported on a conversation he had with [redacted] The Director asked Mr. Amory to personally follow through on this.

b. Received the Director's approval for [redacted] to discuss with Mr. Macy a proposed letter to the Director of the Bureau of the Budget respecting budgetary analysis of intelligence programs.

Mr. Houston:

Noted that the Immigration and Naturalization Service was confronted with the problem of preventing aliens who have received scientific training in the U.S. from returning to Iron Curtain countries, and stated that I&NS was planning to request [redacted] information on these people which would justify their being kept in the U.S. "in the national interest". The Director
